

Improving our Black Belt communities with each civic engagement

It is our goal to examine the Black Belt community's growth opportunities and develop tailored strategic community development plans that can provide potential solutions to improve the quality of life for all residence.

By continually evaluating our progress in each Black Belt community we are determined to ensure that we are adding valuable improvements with each volunteered hour and service.

We will need your continued support and feedback to make an effective change and improvement within each Black Belt Community.

Our Story

The **Black Belt Community Development Coalition** is a nonprofit agency providing learning management, career development, mentoring and volunteering programs for residents in the Black Belt communities.

Our mission is to strengthen and preserve rural communities within the Black Belt regions through Career Identification and Placement, Neighborhood Revitalization, Diverse Learning Experiences, Community Development programs and Healthcare Awareness.

Our vision is to unlock the potential for economic and community growth, as well as sustainability of the Black Belt regions with each program initiative.

Motto

Improving our community with each civic engagement.
